To whom it may concern

Good morning, sir or ma'am.

I am LT. kong, diving officer in ROK navy.

And work on salvage ship ATS-28 kwang-yang. This ship used to be the "Brunswick"(TS-3) in US navy.

on Oct. 31, 2014, ATS-28 will get retired.

To make memoir, I am collecting history of TS-3 in US, such as main operations, missions, exercise, crews, change of command, etc. Plus, I will add this information after taken over to ROK side.

If it is not right POC, please let me know who or where I can consult with.

thanks for your time.

ROK navy, LT kong(diving officer)

best regard.
